

WHAT IF...

...your car refuses to start or breaks down?

Even the most reliable of vehicles can let you down sometimes, and cost a fortune to repair.

It's always worth thinking ahead. A car that's in perfect working order now may be more likely to break down as it ages.

**It's enough to keep you awake at night.
Unless you invest in our GOLD PLUS Warranty.**

WHY NOT LET US FOOT THE REPAIR BILL

Some of the mechanical and electrical parts covered by our Gold Plus Warranty are listed above. And please note that, unlike many comparable products, Gold Plus includes parts that fail even if due to age and wear and tear.

- Includes mechanical and electrical parts that fail due to age and wear and tear
- Includes the costs of parts, labour and VAT
- National repair network
- 3 to 48 month options available
- Fast payment of valid claims
- Comprehensive parts cover
- Recovery*
- Unlimited number of claims
- Purchase price claims limit

The listed components are subject to the terms as described in your warranty agreement and are also subject to certain limitations in the maximum amount paid in the event of a breakdown. Please ask your supplying dealer for further details. Parts costs are based on a four year old Ford Mondeo. Labour costs based upon standard ICME rates. Estimated prices include VAT. Your statutory rights are not affected by the terms of this Mechanical Breakdown Warranty. *Optional.
